

G D  
Chill out, what you yelling for?

Am  
Lay back, it's all been done before

C  
And if, you could only let it be, you will see

G D  
I like, you the way you are

Am

When we're, driving in your car

C  
And you're, talking to me one on one but you become

Am  
Somebody else

'Round everyone else

D  
You're watching your back

Like you can't relax

Am  
You're trying to be cool

C D  
You look like a fool to me

Tell me

G D/F# C  
Why'd you have to go and make things so complicated?

C D/F# G D/F# C  
I see the way you're acting like you're somebody else gets me frustrated

C D/F#  
Life's like this, you

G D/F#  
And you fall, and you crawl, and you break

C C D/F#  
And you take, what you get, and you turn it into

G D/F# C  
Honesty and promise me I'm never gonna...find u fake it
