

Capo 3

Am **C**
Never made it as a wise man
G **D/F#**
I couldn't cut it as a poor man stealing
Am **C**
Tired of living like a blind man
G **D/F#**
I'm sick of sight without a sense of feeling

[Pre-chorus]

Am **C** **G**
And this is how you remind me
Am **C** **G** **D/F#**
This is how you remind me of what I really am
Am **C** **G**
This is how you remind me of what I really am

[Chorus]

Am **C**
It's not like you to say sorry
G **D/F#**
I'm always waiting on a different story
Am **C**
This time I'm mistaken
G **D/F#**
For handing you a heart worth breaking
Am **C**
And I've been wrong, I've been down
G **D/F#**
Into the bottom of every bottle
Am **C**
These five words in my head
G **D/F#**
Scream, "Are we having fun yet?"
Am **C** **G** **D/F#**
Yeah, yeah, yeah, no no
Am **C** **G** **D/F#**

Yeah, yeah, yeah, no no

[Verse 2]

Am **C**
It's not like you didn't know that
G **D/F#**
I said I love you and I swear I still do
Am **C**
And it must have been so bad
G **D/F#**
Cause living with me must have damn near killed you

[Pre-chorus]

Am **C** **G** **D/F#**
And this is how you remind me of what I really am
Am **C** **G**
This is how you remind me of what I really am

[Chorus]

Am **C**
It's not like you to say sorry
G **D/F#**
I'm always waiting on a different story
Am **C**
This time I'm mistaken
G **D/F#**
For handing you a heart worth breaking
Am **C**
And I've been wrong, I've been down
G **D/F#**
Into the bottom of every bottle
Am **C**
These five words in my head
G **D/F#**
Scream, "Are we having fun yet?"
Am **C** **G** **D/F#**
Yeah, yeah, yeah, no no
Am **C** **G** **D/F#**
Yeah, yeah, yeah, no no

Am C G D/F#

Yeah, yeah, yeah, no no

Am C G D/F#

Yeah, yeah, yeah, no no
