

[Verse 1]

C **Dm7**
I've been staring at the edge of the water
Am **F**
'Long as I can remember, never really knowing why
C **Dm7**
I wish I could be the perfect daughter
Am **F**
But I come back to the water, no matter how hard I try
Am
Every turn I take, every trail I track
G
Every path I make, every road leads back
C
To the place I know, where I can not go
Fm
Where I long to be

[Chorus 1]

C **G**
See the line where the sky meets the sea? It calls me
Am **F**
And no one knows, how far it goes
C **G**
If the wind in my sail on the sea stays behind me
Am **Fm**
One day I'll know, if I go there's just no telling how far I'll go
