

[Chorus]

C

This world can hurt you

Am

Em

It cuts you deep and leaves a scar

Em/F#

G

Em

Things fall apart, but nothing breaks like a heart

Em

And nothing breaks like a heart

[Verse]

Em

I heard you on the phone last night

D

We live and die by pretty lies

Em

You know it, oh, we both know it

Em

These silver bullet cigarettes

D

This burning house, there's nothing left

Em

It's smoking, we both know it

Em

We got all night to fall in love

D

But just like that we fall apart

Em

We're broken, we're broken

[Pre-Chorus]

Em

Mmm, well nothing, nothing, nothing gon' save us now

[Chorus]

C

Well, there's broken silence

Am

Em

By thunder crashing in the dark (Crash in the dark)

C

And this broken record

Am

Em

Spin endless circles in the bar (Spin 'round in the bar)

C

This world can hurt you

Am

Em

It cuts you deep and leaves a scar

Em/F#

G

C

Things fall apart, but nothing breaks like a heart

Am

Em

Mhmm, and nothing breaks like a heart
