

[Verse]

Em D

Well I met you at the blood bank

Cadd9

We were looking at the bags

Em D

Wondering if any of the colors

Cadd9

Matched any of the names we knew on the tags

G

You said "see look it that's yours!

D/F#

Stacked on top with your brother's

Em

See how they resemble one another

Cadd9

Even in their plastic little covers"

Cadd9 Em D (Hold chords)

And I said I know it well

[Chorus]

G

That secret that you knew

D/F#

But don't know how to tell

G

It fucks with your honor

D/F#

And it teases your head

Em

But you know that it's good girl

Cadd9

Cos it's running you with red

[Verse]

Em D

Then the snow started falling

Cadd9

We were stuck out in your car

Em D

You were rubbing both of my hands

Cadd9

Chewing on a candy bar

G

You said "'aint this just like the present

D/F#

To be showing up like this"

Em

There's a moon waning crescent

Cadd9

We started to kiss

Cadd9 Em D

And I said I know it well

[Chorus]

G

That secret that we know

D/F#

That we don't know how to tell

G

I'm in love with your honor

D/F#

I'm in love with your cheeks

Em

What's that noise up the stairs babe?

Cadd9

Is that Christmas morning creaks?

Cadd9 Em D

And I said I know it well

I know it well ...
