

Thinking out loud

C            C/E  
When your legs don't work  
          F                    G  
Like they used to before  
C            C/E                    F    G  
And I can't sweep you off of your feet  
C            C/E  
Will your mouth still remember  
          F                    G  
The taste of my love  
C            C/E  
Will your eyes still smile  
F                    G  
From your cheeks

and Baby I will be loving you till we're 70  
and baby my heart will still fall as hard at 23
