

[Intro]

**Em - D/F# - G - Am**

[Verse]

**Em D/F# G**  
Four seasons in one day,  
**Am x3**  
lying in the depths of your imagination  
**Em D/F# G**  
Worlds above and worlds be- low,  
**Amx3 C/G or C**  
the sun shines on the black clouds hanging over the do- main  
**Bm C/G**  
Even when you're feeling warm,  
**Bm Am**  
the temperature could drop a- way  
**D G D/F#**  
Like four seasons in one day

[Verse 2]

**Em D/F# G**  
Smiling as the shit comes down,  
**Am Am6**  
you can tell a man from what he has to say  
**Em D/F# G**  
Everything gets turned a- round,  
**Am Am6 C/G**  
and I will risk my neck a- gain, again  
**Bm C/G**  
You can take me where you will,  
**Bm Am**  
up the creek and through the mill  
**Bm C/G**  
Like all the things you can't ex- plain,  
**D G**  
four seasons in one day

[Chorus]

**C/G      G    D      Em**

Blood dries up like rain, like rain

**C/G      G    D              Em**

Fills my cup, like four seasons in one day
