

[Verse 1]

**Dm C, C Dm C, C**  
Falling into you, baby  
**F C, C F F F Dm**  
Even electricity can't compare to what I feel when I'm with you

Ooh, baby

Giving up my ghost for you

And now I'm see-through

[Pre-Chorus]

You give me a feeling, feeling so strong

I know you've been treating, treating yourself wrong

So let me care for you

Ooh, baby

I'ma love you differently

I'll give you electricity

Give it to you

[Chorus]

**Dm C C DM C C F C C F C C**

And even if I could

I wouldn't turn on you

And I would stop the world for you, you know

I wanted to let you know, I'll never let this feeling go

Even if I could

I wouldn't turn on you

And I would stop the world for you and I

I want to let you know, I'll never let this feeling go

This love has no ceiling, I cannot deny
