

[Verse]

**Em B7 Em Em**  
When you're down, and troubled, and you need some lovin' care  
**Am Dadd9 G G**  
And nothing, nothing is going right  
**F#m B7 Em Em**  
Close your eyes and think of me, and soon, I will be there  
**Am Bm D7sus D7**  
To brighten up, even your darkest nights

[Chorus]

**G C Am**  
You just call out my name, and you know, wherever I am,  
**G D7sus D7**  
I come running, to see you again  
**G G7 C Em**  
Winter spring summer or fall, all you got to do is call  
**C E Am D**  
And I'll be there,  
**G**  
You've got a friend

[Verse]

**Em B7 Em B7 Em**  
If the sky, above you, grows dark and full of clouds,  
**Am Dadd9 G C G**  
and that old, north wind, begins to blow  
**F#m B7 Em B7 Em**  
Keep your head together, and call my name out loud  
**Am Bm D7sus D7**  
Soon, you'll hear me knocking at your door

[Chorus]

**G C Am**  
You just call out my name, and you know, wherever I am,  
**G D7sus D7**  
I come running running yeah yeah, to see you again

**G**                    **G7 C**                    **Em**  
Winter spring summer or fall, all you got to do is call  
      **C E**                    **Am D**  
And I'll be there, yes I will

[Bridge]

**F**                    **C**  
Now ain't it good to know that you've got a friend  
      **G**                    **G7**  
When people can be so cold  
      **C**                    **Fm**                    **Em**                    **Am7**  
They'll hurt you, yes and desert you, and take your soul if you let them  
      **A7**                    **D7sus D7**  
oh, but don't you let them
