

Be Alright down down down down up  
Capo 4

[Verse 1]

**Em** **C**  
I look up from the ground to see your sad and teary eyes  
**G** **D/F#**  
You look away from me and I see there's something you're trying to hide  
**Em** **C**  
And I, reach for your hand but it's cold, you pull away again  
**G** **D/F#**  
And I, wonder, what's on your mind-ind-ind

[Pre-chorus]

**C** **Em**  
And then you say to me "you made a dumb mistake"  
**D** **D**  
You start to tremble and your voice begins to break  
**C** **Em**  
You say the cigarettes on the counter weren't your friends, they were my mates  
**D** **D**  
And I feel the colour draining from my face  
N.C.  
And my friends said...

[Chorus]

**Em** **C**  
I know you love her but it's over mate  
**G** **D/F#**  
It doesn't matter, put the phone away  
**Em** **C**  
It's never easy to walk away  
**G** **D/F#**  
But let her go oh oh oh  
N.C.  
It'll be alright

[Verse 2]

**Em** **C**  
So I asked to look back at all the messages you'd sent

**G** **D/F#**  
And I know it wasn't right but it was messing with my head  
**Em** **C**  
And everything deleted like the past year was gone  
**G** **D/F#**  
And when I touched your face I could tell you're moving on

[Pre-chorus]

**C** **Em**  
But it's not the fact that you kissed him yesterday  
**D** **D**  
It's the feeling of betrayal, that I just can't seem to shake  
**C** **Em**  
And everything I know tells me that I should walk away  
**D** **D**  
But I just want to stay...  
N.C.  
And my friends said...

[Chorus]

**Em** **C**  
I know you love her but it's over mate  
**G** **D/F#**  
It doesn't matter, put the phone away  
**Em** **C**  
It's never easy to walk away  
**G** **D/F#**  
But let her go oh oh oh  
N.C.  
It'll be okay

**Em** **C**  
It's gonna hurt for a bit of time  
**G** **D/F#**  
So, bottoms up, let's forget tonight  
**Em** **C**  
You'll find another and you'll be just fine  
**G** **D**  
Let her go oh oh oh

[Bridge]

**Em** **C**  
But nothing heals

**G D**  
The past like time  
**Em C**  
And they can't steal  
**G D**  
The love you're born to find  
**Em C**  
But nothing heals  
**G D**  
The past like time  
**Em C**  
And they can't steal  
**G D**  
The love you're born to find

[Chorus]

**Em C**  
I know you love her but it's over mate  
**G D/F#**  
It doesn't matter, put the phone away
